PRESIDENT'S MESSAGE

Spring is here and summer is right around the corner. Now is a good time to talk to your customers about remodeling pools and upgrading pool equipment. Everybody is thinking green! It's a great time to mention energy efficient pumps, heaters and controls. It's time to make some money. Don't put off those nagging repairs, because now is the time to get this stuff done. Remember, it's going to be a long summer! Don't be left in the cold or should I say the heat!

Nancy Sweeney from Revitalize Reseda sent me this nice email right after our charity event: A great big **THANK YOU** from the directors of Revitalize Reseda, the students and the faculty of John R. Wooden High School. We have LOTS of pictures that you can view from April 25th event on the links below. We hope you all had a great time at our charity project. Again, thank you for an **AWESOME** job!! We will be posting a recap of the event on our website at www.revitalizereseda.org within the next couple of weeks.

P.S. Special thanks go out to Chef Victor Martinez for the great grilling job!

Enjoy the pictures.

Drive safely and I'll see you at the next meeting,

Dave
